

109th Cub Pack @ Lowe Memorial

Information Form for 2016/17

Tuesday Nights at 6:15pm - 7:30pm
@ Martin Hall, Lowe Memorial

Cub Scouts are boys and girls aged between eight and ten and a half years old. There are loads of fun things that Cub Scouts do from camping, exploring, computing, collecting and much more.

2016 - Cub Scout Centenary

Cubs are 100 years old this year, we have a number of trips and activities to help celebrate this landmark event, we will try to limit costs for these events when we can.

Important: This year the subscription fees have been frozen for the Cub section.

Please note: Deadline for payments is 22nd November 2016, please speak to us if you need to spread cost over a longer period. Scouting is for everyone.

A Cub Jumper and Scarf **must** be worn when attending Cubs, going on trips/ activities and when at Camp.

We will begin using the My.Scout web based system this year and information will be sent out to parents soon regarding this.

This is a new system and we will piloting it until January 2017.

Please ensure you supply us with an active and regularly checked email address as 98% of communication will be sent via email, thus reducing our use of paper considerably.

Yours in Scouting
Leaders of 109th Cub Pack
